Attorney Docket No.: 112-041	:	
For: LAMINATED GLASS SYSTEM	:	

The petition to revive under 37 CFR 1.137(b) filed 08 June 2006 in the above-captioned application is hereby **GRANTED** as follows:

Applicant's statement that "The failure to respond was unintentional" is being interpreted to mean that the entire delay in filing a proper English translation of the international application from the due date for filing a proper English translation of the international application until the filing of a grantable petition pursuant to this paragraph was unintentional. If this is an incorrect reading of applicant's statement applicant should contact the PCT Legal Office immediately. Applicant's statement and the prompt filing of the petition satisfies the requirement of 37 CFR 1.137(b)(3).

A review of the application file reveals that applicant has now provided a proper English translation of the international application and the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National stage in the United States of America. Further, a review of the application file reveals that all of the requirements of 35 U.S.C. 371 for entry into the national stage in the United States have been satisfied.

The application has an international filing date of 07 June 2000 under 35 U.S.C. 363 and will be given a date of **08 June 2006** under 35 U.S.C. 371(c)(1), (c)(2) and (c)(4).
